2019 Compensation: Board of Directors - \$3,774,798 & NEO Compensation - \$33,068,179. In 2019, the chairman/president/CEO earned a total of \$17,257,035. Increases to customers' bills increase profits which in turn will increase bonuses.

As former customers of SCE&G, we have a history of dealing with greedy monopolies in SC. The SC Legislature decided to allow Scana to bill customers for the cost of nuclear construction. When construction was halted on the V.C. Summer nuclear power plant, Scana customers had already been billed around 2 billion for a project, which will never be completed or generate a kilowatt of power. Dominion was marketed to the ratepayers as providing lower rates & now a increase is being sought. +

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*
